Honorable Judge Gennald,

My name is Shawndell Burke and I am an inmate at the Waseca Prison serving 54 months sentence. On April 2, 2020 I filed a reduction in sentence with Unit Team. C.M.C. Ms. Cummins. My 30 day wait period has expired. At this time I am humbly asking you for consideration of release based on my time served and the Pandemic Corvid 19. My actual out is October 21, 2020.

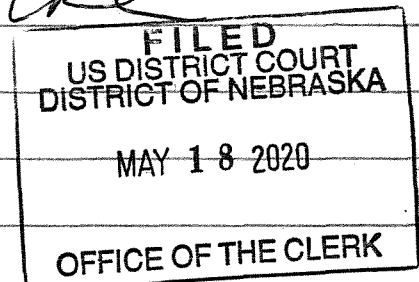

Based on the recently Care Act, the Corona Relief Act, and the Directives of Attorney General Barr I am seeking your consideration for relief and a transfer to home confinement to complete my sentence. My request is based upon extraordinary and compelling reasons.

In the B.O.P I am treated and monitored for: seizure disorder, blood pressure, on going colon issues and pre-diabetit syndrome. At home I would return to my private Physicans care. Probation has visited and approved my daughters home. Elizabeth BURKE

She will provide me transpertation as needed.

Thank you for any consideration in this matter.

Respectfully
Shawndell BURKE
